Enjoy a night of music with influences from Bluegrass, Scottish and Irish traditional and contemporary folk music brought to you by award winning artists, A J Roach(USA) and Nuala Kennedy(Ireland). Here a just a few comments from the Press following recent performances for Nuala:

'A Picaresque Adventure' **** The Irish Times,
'Adventurous and Absorbing' **** The List Radio
'Kennedy is never Static' **** The Scotsman

See Nuala Kennedy official website www.nualakennedy.com

And for A J Roach:

"Roach took the audience packed into the estimable Fallen Angels Club, on a backwoods travelogue that was virtually a masterclass in illustrating how much sophistication goes into creating so-called primitive music." Glasgow Herald

"The sound on these two [songs from 'Revelation'] blur the line between indie folk and traditional folk. In fact "Devil May Dance" wouldn't have been out of place on the Donnie Darko soundtrack somewhere next to Gary Jules' take on Mad Mad World."
